Table of Contents

I. Introduction

Innovation history	Innovation History: Innovation history: LTE frequency commercialization and network evolution	I - 1	3 charts
	Key takeaway - Revenue continues to grow due to the expansion of subscriber base	I - 2	12 charts
Mobile connection composition	Mobile telecommunication service market in Korea in Q2 2017	I - 3	
	Mobile connection composition in Korea in Q2 2017 – Big 3 operators, 2017Q2	I - 4	1 chart
	Mobile connection composition in Korea in Q2 2017 – Big 4 operators, 2017Q2	I - 5	1 chart
	Mobile connections breakdown - 2017Q2	I - 6	5 charts
Market Brief	Mobile telecommunication market in Korea – Operating revenue breakdown, 2011-2016	I - 7	6 charts
Mobile traffic	Monthly mobile communication traffic in Korea (MNO) - by access network and by device type, 2012-2017Q2	I - 8	4 charts
	Monthly mobile communication traffic in Korea (MNO and smartphone Traffic) - by service plan, 2012-2017Q2	I - 9	6 charts
	4G traffic by application category, 2013-2017Q2	I - 10	3 charts
LTE service quality	LTE service quality evaluation in 2016, 2013-2016	I - 11	2 charts

II. Total Connections in Korea

Summary	Summary - Mobile connections in Korea: Number, Penetration and Growth, 2011-2017Q2	II - 1	3 charts
	Summary - Mobile connections in Korea: Number, Penetration and Growth – Table, 2011-2017Q2	II - 2	1 chart
	Summary - Mobile connections in Korea: Number, Penetration and Growth – Table, 2011-2017Q2	II - 3	1 chart
Penetration	Penetration - Mobile connections and mobile phones (% of population), 2011-2017Q2	II - 4	2 charts
	Penetration - Smartphones (% of population, mobile phone and total mobile connections), 2011-2017Q2	II - 5	2 charts
Access network	Mobile connections and market share by access network in Korea, 2011-2017Q2	II - 6	4 charts
Device type	Mobile connections and market share by device type in Korea, 2011-2017Q2	II - 7	4 charts
MVNO	MVNO connections and share of total mobile connections in Korea, 2011-2017Q2	II - 8	4 charts
Mobile phones	Mobile phone/smartphone connections and share of total connections in Korea, 2011-2017Q2	II - 9	6 charts
IoT	IoT connections and share of total mobile connections in Korea, 2011-2017Q2	II - 10	4 charts
Net additions	Net additions, activations and deactivations of mobile connections in Korea, 2011-2017Q2	II - 11	4 charts

Table of Contents

III. Mobile Operators

Innovation history	Innovation History: New services commercialization/launching period, 2011-2017Q2	III - 1	3 charts
Mobile connections	Summary - SK Telecom mobile connections: number, penetration and growth (including MVNO connections), 2011-2017Q2	III - 2	1 chart
	Summary - KT mobile connections: number, penetration and growth (including MVNO connections), 2011-2017Q2	III - 3	1 chart
	Summary - LG U+ mobile connections: number, penetration and growth (including MVNO connections), 2011-2017Q2	III - 4	1 chart
	Summary - SK Telecom MNO mobile connections: number, penetration and growth, 2014-2017Q2	III - 5	1 chart
	Summary - KT MNO mobile connections: number, penetration and growth, 2014-2017Q2	III - 6	1 chart
	Summary - LG U+ MNO mobile connections: number, penetration and growth, 2014-2017Q2	III - 7	1 chart
	Mobile connections and market share by operator (Big 3, including MVNO connections), 2011-2017Q2	III - 8	4 charts
	MVNO connections and market share by operator (Big 3 Operators), 2011-2017Q2	III - 9	4 charts
	Mobile connections and market share by operator (Big 4: SK Telecom, KT, LG U+ and MVNOs), 2011-2017Q2	III - 10	4 charts
	Quarterly net additions, activations and deactivations by operator (Big 3, including MVNO connections), 2011-2017Q2	III - 11	3 charts
	Quarterly net additions, activations and deactivations of each operator (Big 3, including MVNO connections), 2011-2017Q2	III - 12	3 charts
	Net addition breakdown of each operator (Big 3, including MVNO connections), 2015Q1-2017Q2	III - 13	3 charts
	Churn rate and quarterly deactivations (Big 3, including MVNO connections), 2011-2017Q2	III - 14	2 charts
MNP (Mobile Number Portability) trend, 2004-2017Q2	III - 15	2 charts	
MNP net additions by operator (Big 4), 2006-2016	III - 16	5 charts	
Access network	Mobile connections and market shares by access network in Q2 2017 - by operator	III - 17	4 charts
	4G connections and market share by operator (Big 3, including MVNO 4G connections), 2011-2017Q2	III - 18	4 charts
	4G connections and market share by operator (Big 4), 2014-2017Q2	III - 19	4 charts
	Mobile connections and market share by access network (Big 3, including MVNO connections), 2011-2017Q2	III - 20	6 charts
	Mobile connections and market share by access network (Big 3, including MVNO connections) - Table	III - 21	3 charts
	Mobile connections and market share by access network (Big 4), 2014-2017Q2	III - 22	8 charts
Device type	Mobile phone/IoT connections and market share by operator (Big 3, including MVNO connections), 2011-2017Q2	III - 23	6 charts
	Mobile phone/IoT connections and market share by operator (Big 4), 2014-2017Q2	III - 24	6 charts
	Mobile connections and market share by device type (Big 3, including MVNO connections), 2011-2017Q2	III - 25	6 charts
	Mobile connections and market share by device type (Big 4), 2014-2017Q2	III - 26	8 charts
	Phone and IoT device share of total mobile connections (Big 4), 2014-2017Q2	III - 27	8 charts

Table of Contents

III. Mobile Operators (continued)

Smartphones	Smartphone connections and market share by operator (Big 3, including MVNO connections), 2011-2017Q2	III - 28	4 charts
	Smartphone connections and share of total mobile connections of each operator (Big 3, including MVNO connections), 2011-2017Q2	III - 29	6 charts
	Smartphone connections and share of total mobile phone connections of each operator (Big 3, including MVNO connections), 2011-2017Q2	III - 30	6 charts
	Smartphone connection growth of individual mobile operators (Big 3, including MVNO connections) - Table, 2011-2017Q2	III - 31	3 charts
IoT	IoT connections and market share by operator (Big 3, including MVNO connections), 2011-2017Q2	III - 32	4 charts
	IoT connections and market share by operator (Big 4), 2014-2017Q2	III - 33	4 charts
	IoT connections and share of total mobile connections of each operator (Big 3, including MVNO connections), 2011-2017Q2	III - 34	6 charts
	IoT connection growth of individual mobile operators (Big 3, including MVNO connections) - Table, 2011-2017Q2	III - 35	3 charts
	Breakdown of IoT connections of each operator (Big 4), 2014-2017Q2	III - 36	8 charts
MVNO	MVNO connections and market share by operator (Big 3), 2011-2017Q2	III - 37	4 charts
	MVNO connections and share of total connections of each operator (Big 3), 2011-2017Q2	III - 38	6 charts
	MVNO connection growth of individual mobile operators (Big 3), 2011-2017Q2	III - 39	3 charts
Mobile service revenue	Billed connections (Pre-paid/post-paid, Phones + IoT devices) of each operator (Big 4), 2014-2017Q2	III - 40	8 charts
	Mobile service revenue by operator (phone+IoT revenue, excludes interconnection revenue, includes MVNO related revenue), 2011-2017Q2	III - 41	4 charts
	Mobile service revenue (phone+IoT revenue, excludes interconnection revenue, includes MVNO related revenues and connections), 2011-2017Q2	III - 42	3 charts
	SK Telecom - Mobile service revenue, 2011-2017Q2	III - 43	1 charts
	KT - Mobile service revenue, 2011-2017Q2	III - 44	1 charts
	LG U+ - Mobile service revenue, 2011-2017Q2	III - 45	1 charts
	ARPU Trend of 3 operators, 2011-2017Q2	III - 46	3 charts
	Mobile service revenue share vs. connection share by operator, 2011-2017Q2	III - 47	3 charts

Table of Contents

IV. Financial Results

Income statement	Income statement (Big 3) - consolidated, 2011 - 2017H1, 2011-2017Q2	IV - 1	3 charts
Operating revenues	Operating revenue and market share by operator (Big 3) - consolidated, 2011 - 2017H1	VI - 2	4 charts
	Operating revenue structure of Big 3 (KRW Trillion) - consolidated, 2011 - 2016	VI - 3	3 charts
	Breakdown of operating revenue by service (Big 3) - consolidated, 2011 - 2016 (KRW Billion), 2011-2016	VI - 4	3 charts
	Operating revenue by operator in 2016 (Big 3) - consolidated (unit: KRW bn)	VI - 5	3 charts
	SK Telecom operating revenues, 2014 - 2017.Q2 (Consolidated)	VI - 6	1 chart
	KT operating revenues, 2014 - 2017.Q2 (Consolidated)	VI - 7	1 chart
	LG U+ operating revenues, 2014 - 2017.Q2 (Consolidated)	VI - 8	1 chart
Marketing expenses	Marketing expenses of 3 operators, 2011 - 2017 Q2	VI - 9	3 charts
Capex	Capex and Capex breakdown by segment of 3 operators, 2011 - 2017 Q2	VI - 10	6 charts
